

The background of the entire slide is a close-up photograph of several slices of bamboo. Each slice is circular and has a light brown, fibrous texture. Numerous small, dark, circular holes are scattered across the surface of each slice, resembling a honeycomb or a sieve. The slices are arranged in a slightly overlapping pattern, creating a textured, natural-looking background.

**Help us follow our Dame B's ECO CODE by:**

**Turn off  
taps! Don't  
waste water.**

**Turning off  
lights!**

**Re-use and  
Re-cycle  
waste.**

**Not  
dropping  
litter!**

**Respect  
EVERY living  
thing.**
